MEMORANDUM FOR THE RECORD

SUBJECT: Records Storage Requirements for DIA

STAT 1. Phoned [] RMO/DIA, and asked for an estimate of space required by his Agency for records storage in the proposed GSA Center at Suitland. Bob stated that the FRC in Alexandria now has 65,000 cubic feet retired by Army, Navy and Air Force intelligence components, and that the rate of increase is about 2000 cubic feet per year. He requested we tell GSA that DIA would need 100,000 cubic feet of space in the new Center.
